Conduct: This is a friendly tournament. Please make your opponent's fun an important goal. Please be generous and give your opponent the benefit of the doubt.

- Prompt start and play enables both players to pursue a decisive result:
- Players more than 10 minutes late for a round may forfeit the game
- Players are to display a turn marker in all Games, so TO can monitor progress
- Players will receive 30 minutes to go, 10 minutes to go and dice down call
- Dice down is a hard finish out of respect to all the players. Please play accordingly and give both players the chance to achieve a decisive result.
- Players are expected to discuss and agree terrain, movement and line of sight interpretations (etc) in a reasonable and timely way:
- Players are expected to discuss and agree how they will treat terrain and explain army lists to each other before deployment. Terrain is not to be moved.
- If there is doubt about what is in/out of terrain or what can be seen, please state your intention (eg during movement phase) to reduce disputes – your opponent can let you know if it is unreasonable and you can resolve disagreements early
- The effects of almost all terrain is covered by the rules (p43) – if you can't agree, roll a dice or ask for a TO ruling: before play starts

Food: No food is included in entry fee. Snack food, soft drinks and water available for purchase. Microwave and ovens available. No alcohol.
